

e-STUDIO408P

e-STUDIO478P

Product brochure

- Reliable A4 monochrome printers to boost the efficiency of small and medium businesses and workgroups.
- Print in high quality at a speed of up to 40/47 pages per minute respectively on a broad range of media.
- Designed to meet the highest environmental standards the printers have a low energy consumption and save money and valuable resources.

READY WHEN YOU ARE

For your day-to-day business you need a printer you can rely on and which delivers impeccable document output every time you print. Toshiba's e-STUDIO408P and e-STUDIO478P offer just that. With a print speed of 40 and 47 pages per minute (ppm) respectively and a fast first print output time these productive printers are ready when you need them.

Compatible with most operating systems the printers are easy to install and even easier to use. Thanks to their network capability and their mobile printing features the e-STUDIO408P and e-STUDIO478P are ideal for small- and medium-sized businesses and workgroups. And if needed, they can grow with your needs, e.g. by adding additional paper sources to increase the capacity. For more advanced functionality the e-STUDIO478P comes with a large range of further options, which will enhance your efficiency even more.

High-level security features are of course standard for the e-STUDIO408P and e-STUDIO478P and protect the devices from unauthorised access. Contact your local Toshiba partner to find out more about the amazing value these printers offer.

CONFIGURATION

* Up to one additional drawer can be added.
** Up to three additional drawers can be added.

Together Information is Toshiba's vision for how people and organisations create, record, share, manage and display ideas and data.

It is based on our belief that the most successful organisations are those that communicate information in the most efficient way.

We make that possible through an integrated portfolio of industry-specific solutions, all of which reflect Toshiba's commitment to the future of the planet.
